

ATTITUDE

"The remarkable thing is we have a choice every day regarding the attitude we embrace for that day. We cannot change our past, we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play the one string we have, and that is our attitude. I am convinced that life is ten percent what happens to me and ninety percent how I react to it. And so it is with you. We are in charge of our attitudes."
