

ATTITUDE

"The remarkable thing is we have a choice every day regarding the attitude we embrace for that day. We cannot change our past, we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play the one string we have, and that is our attitude. I am convinced that life is ten percent what happens to me and ninety percent how I react to it. And so it is with you. We are in charge of our attitudes."

Swindoll,1998-10-16 Do others look to you for leadership Do you face a major task or shoulder heavy responsibilities Do you want to take your leadership skills to a higher level When Nehemiah confronted the task of rebuilding Jerusalem s wall he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him Yet through the application of timeless leadership principles Nehemiah

completed this nearly impossible project and laid a pattern for success which is just as valid for us today Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader Whatever the context secular or ministerial he demonstrates how to size up a task organize and motivate a team and respond to inevitable obstacles such as these Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever Life Is 10% What Happens to You and 90% How You React Charles R.

Swindoll,2023-01-17 In this broken world each of us has the same moment by moment choice We can either unfurl the white flag of surrender and allow the bad things to roll over us or we can dig in our heels stand our ground and put up a fight How It's all about the attitude we decide to embrace We can't change the inevitable But we can change how we respond After all life is 10% what happens to you and 90% how you react Since pastor and bestselling author Charles Swindoll wrote those inspiring words they've been shared over sixty five million times across the globe Now join Swindoll as he explores the life changing impact of looking at life through the lens of our reactions This isn't your average self help book Each chapter of Life Is 10% What Happens to You and 90% How You React is filled with timeless teachings applicable Scripture and thoughtful reflection questions Reimagined from content found in Swindoll's bestsellers Active Spirituality and Laugh Again Life Is 10% What Happens to You and 90% How You React gives you the tools and encouragement you need to Find joy no matter what season you're living through Overcome life's dilemmas and build inner resilience Defuse disharmony and free yourself from drama Maintain balance extend grace to yourself and be prosperous Lean on your Christian faith and its foundational views Within these pages Swindoll isn't promising joy or endless bliss Instead he offers practical wisdom that will equip you with the basic fundamentals to make better decisions move past your past and find peace in every day Because life isn't simply about what happens to you it's about how you react *Growing Strong in the Seasons of Life* Charles R.
